Work day on West Texas Street Project

***We welcome anyone
interested in meeting
other gardeners.***

The Grapevine Garden Club is an organization of men and women who enjoy gardening, sharing plants, and having fun. Through our meetings, programs, field trips, annual plant sale, scholarships, and civic projects, the Club promotes interest in horticulture.

Our Club enables us to build lasting friendships and to learn more about gardening, wildlife, conservation, and the environment. Our Club has been designated Garden Club of the Year for 2011, 2014, and 2015. We invite you to join us at our monthly meetings.

General Meetings

Our general meetings usually have speakers. Some of the recent topics:

- ☞ Shade tolerant plants for North Texas
- ☞ Native tree care and common tree problems
- ☞ Keeping your garden tools in good shape
- ☞ Gardening nature's way
- ☞ Year-round color for your garden
- ☞ Managing the wildlife in our gardens
- ☞ Creating a wildscape in your yard
- ☞ Photography in the garden
- ☞ Water-wise gardening
- ☞ Container gardening
- ☞ Where do Monarchs go in the Winter?
- ☞ Honey bee collapse
- ☞ Urban birds of prey
- ☞ Great Backyard Bird Count

Fall Tree and Shrub Sale
"Plant Native – Plant Now"

Gardeners on the Go

One of our members' favorite activities is the many road trips we take to visit public and private gardens, parks, arboretums, research centers, and particularly local nurseries. We view wonderful plants firsthand and learn more about various gardening techniques and design methods. We stay on the go.

Members tour Garvan Woodland Garden in Arkansas.

Special Events

- ❖ October – Butterfly Flutterby Festival
- ❖ October – Fall Plant Sale
- ❖ December – Holiday Luncheon
- ❖ April – Flowercade
- ❖ April – Spring Plant Sale
- ❖ May – Spring Luncheon

Ongoing Projects

Annual Plant Sale

Our annual plant sale raises funds for civic projects and scholarships.

Scholarship

Each year we award scholarships to high school or college students with a declared major in horticultural-related subjects.

West Texas Street

Our members provide landscaping and gardening assistance to low income housing residents.

Docents and Adventure Tours at the Grapevine Botanical Gardens

We serve as docents and support youth programs, adult programs and tours offered through Grapevine Parks and Recreation Department.

Civic "Seed" Grant Money

The club offers funds to non-profit organizations in Grapevine for projects related to horticulture, wildlife, and the environment.

Redbud Tree Distribution

We demonstrate proper tree planting and distribute tree seedlings to third grade students in the Grapevine/Colleyville ISD.

Rose Trial

Partnered with the Grapevine Botanical Gardens and Texas A&M AgriLife Extension, the GGC monitors roses in a rose trial setting to find rose varieties resistant to Rose Rosette disease. Rose growers and county agents from three states suggested the varieties to study. The results will be shared through Texas A&M AgriLife Extension.
